

CONCLUSION

Applicants submit that no new matter has been added, and respectfully request early favorable action by the Examiner. The change incorporated in Figure 3 relates to the number label assigned to a chemical structure and is in accordance with the requested amendment in the specification (submitted separately). If the Examiner believes that a telephone conversation with Applicants' agent would expedite prosecution of this application, the Examiner is cordially invited to call the undersigned agent of record.

Respectfully submitted,

Date: November 9, 2001
